DEPARTMENT OF HEALTH AND HUMAN SERVICES

Agency for Toxic Substances and Disease Registry

[Program Announcement 99143]

Program To Build Capacity To Conduct Environmental Health Promotion Activities; Notice of Availability of Funds

A. Purpose

The Agency for Toxic Substances and Disease Registry (ATSDR) announces the availability of fiscal year (FY) 1999 funds for a cooperative agreement program to build the capacity of a national organization to conduct health promotion activities for their members.

This program addresses "Healthy People 2000" in the priority areas of Educational and Community-Based Programs and Environmental Health.

The purpose of this program is to build capacity for the conduct of health professional education and community health promotion activities for its membership.

B. Eligible Applicants

This program is directed only to non-profit national organizations of health professionals that provide environmental health education and environmental public health promotion activities for their defined membership.

Note: Public Law 104-65 states that an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 that engages in lobbying activities is not eligible to receive Federal funds constituting an award, grant, cooperative agreement, contract, loan or any other form.

C. Availability of Funds

Approximately \$1,200,000 is available in FY 99 to fund one award. It is expected that the award will begin on or about September 30, 1999, and will be made for a 12-month budget period within a project period of up to five years. Funding estimates may change.

Continuation awards within an approved project period will be made on the basis of satisfactory progress as evidenced by required reports and the availability of funds.

Use of Funds

Funds awarded may be expended for reasonable program purposes, such as personnel, travel, supplies and services, including contractual services. ATSDR funding is generally not to be used for the purchase of furniture or equipment. The direct and primary recipient in a cooperative agreement program must perform a substantive role in carrying out project activities and not merely serve as a conduit for an award to another party or provide funds to an ineligible party.

D. Program Requirements

In conducting activities to achieve the purpose of the program, the recipient shall be responsible for conducting activities under 1 below, and ATSDR will be responsible for conducting activities under 2 below:

1. Recipient Activities

a. Conduct an assessment of health promotion needs, including health professional education needs of the membership.

b. Plan, conduct, and evaluate health professional education and training in
